Welcome to

The Aquatic Center @ UW Health East Madison Hospital:

The Aquatic Center is open for public swimming and aquatic programs. The facility has two pools: an 80-degree, 4-lane, 25-yard Lap Pool that has a 3'6” shallow end which slopes to a 9' deep end and a 92-degree Therapy Pool that is 3'6” in the shallow end and slopes to 5”.

The health and safety of all patients, visitors and staff is the number one priority at UW Health. Navigating our operations safely requires following all Dane County Public Health orders and capacity limits as well as UW Health Infection Control policies. This will be an evolving process and will require patience and understanding from all of us.

Before Coming to the Aquatic Center

- All swimmers must reserve a time to swim before coming to the pool. You may reserve your day and time at uwhealth.org/classes
- Registration for reservation times will open on Wednesday at noon for the following week- Monday through Saturday. Each time slot is 45 minutes and will cost $8.00/swim. PLEASE only sign up for the times you will use. If you need assistance with reserving a time online, please email CCW@uwhealth.org or call the pool office 608-440-6496
- Pool schedules will be subject to change depending on staffing, weather, programming, and visitor policies
- Children, under 12 years old, are NOT allowed to use the pools at this time unless they are being seen by a UWH Physical Therapist

Arriving at the Facility & Preparing to Swim

- You may park in the front of facility and enter at the Main or Clinic Entrance. You may also park in the ramp and enter the side of the facility by the Turf Field
- All swimmers/patrons/visitors must wear a medical grade mask in UW Health Facilities. A mask must be worn in the locker room and until entry into the pool. Fresh medical grade masks are available in pool office as well as main entrances
- Locker rooms will be open to change and shower. There are limited lockers available but there will also be bins to put your belongings in and bring out on the deck. Please limit your time in the locker rooms
- Everyone must take a shower before entering the pool
- Towels are not provided
During Your Swim

- All swimmers must maintain a social distance of at least 6 feet in and out of the water
- Lifeguards/Pool staff will assist you with social distancing and available pool space
- Warm Pool capacity will be 6 individuals while there are PT appointments scheduled
- Pool users may be asked to share specific location in the pool to give patients & therapists priority
- All Aquatic Classes will have a capacity of 8 individuals
- Pool equipment may be borrowed and should be placed in bins after each use
- When a swim is over, shower and change as quickly as possible. Please respect the time and space of others

Current COVID Screening Guidelines for Aquatic Center at UW Health:

Do not come to the Aquatic Center if:

- If you test/screen positive, you should not enter the facility. Please wait for 10 days after your initial test.
- You are experiencing any new or unexplained symptoms of fever, chills, cough, shortness of breath, runny nose, sore throat, severe fatigue/exhaustion, muscle pain, loss of taste and/or smell, headache, nausea/vomiting, or diarrhea
- While in a UW Health facility, everyone must wear a medical grade barrier mask, except for in the showers and pools
- Continue to safely social distanced while in locker rooms, pool area and in the water.

Any Questions?
