- If this is a Certificate of Registration, it represents only the enrollment of the laboratory in the CLIA program and does not indicate a Federal certification of compliance with other CLIA requirements. The laboratory is permitted to begin testing upon receipt of this certificate, but is not determined to be in compliance until a survey is successfully completed.
- If this is a Certificate for Provider-Performed Microscopy Procedures, it certifies the laboratory to perform only those laboratory procedures that have been specified as provider-performed microscopy procedures and, if applicable, examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.
- If this is a Certificate of Waiver, it certifies the laboratory to perform only examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.

RE: Multiple Sites for 14D0430350 - Certificate Of PPM

Dear Director:

This is to inform you that your request for a Multiple Site CLIA certificate for the facility listed at the address above has been approved. The multiple site labs that are covered under this certificate are listed below/on the attached page. If you have any changes in your certificate status or the location/number of multiple sites for this location, you must notify our office.

The following CLIA regulations must be met in order to maintain your certificate's Multiple Site status:

- The facility must either be Not-for-profit, or a Federal, State or local government facility.
- The testing is limited to 15 tests (a combination of moderate and waived).
- The various sites under this certificate may only perform tests within the 15 tests listed on the certificate application.
- An entity performing any high-complexity testing **CANNOT** use this exception for a multiple site certificate.
- A Certificate of Waiver laboratory is eligible if it only performs 15 or less waived tests.
- The multiple sites cannot perform tests that are outside of those listed on the application for the certificate issued to the primary site.

Notification Requirements under Federal Regulation, CFR42 Part 430, Subpart B, 493.39 for Certificates of Waiver and Subpart C, 439.53 for Certificates of Provider performed Microscopy Procedures, state that you must notify us within 30 days of changes in 1) Ownership, 2) Facility Name, 3) Location or 4) Director.

If we can be of further assistance, please contact our office by email at DPH.CLIA@illinois.gov, or by phone at (217) 782-6747.

Sincerely,

Brandon Rakowski
