## Administration

Telephone: 608.263.7506  
Fax: 608.263.1568

**Medical Director, Clinical Laboratory:**  
David Yang, MD

[dtyang@wisc.edu](mailto:dtyang@wisc.edu)

**Clinical Vice Chair for the Department of Pathology:**  
David Yang, MD

[dtyang@wisc.edu](mailto:dtyang@wisc.edu)

**Interim Chair of Department of Pathology and Laboratory Medicine:**  
David Yang, MD

[dtyang@wisc.edu](mailto:dtyang@wisc.edu)

**Director of Anatomic Pathology:**  
Suzanne Selvaggi, MD

[sselvaggi@uwhealth.org](mailto:sselvaggi@uwhealth.org)

**Administrative Director, Clinical Laboratory:**  
Michele Marggi, HT (ASCP)

[mmarggi@uwhealth.org](mailto:mmarggi@uwhealth.org)

## **Directors:**

**Patient Services:** Leanne Preston, MT (ASCP)  
**Special Technical Services:** Karen Schliesman, BS, MT (ASCP)  
**Core Technical Services:** Amy Job, BS, MBA  
**Anatomic Pathology Services:** Kristi Lehman, CT (ASCP)

[lpreston@uwhealth.org](mailto:lpreston@uwhealth.org)  
[kschliesman@uwhealth.org](mailto:kschliesman@uwhealth.org)  
[amy.job@uwhealth.org](mailto:amy.job@uwhealth.org)  
[klehman@uwhealth.org](mailto:klehman@uwhealth.org)

# Clinical Laboratory Consultants and Contacts

June 20, 2022

All medical and faculty directors are able to provide consultation regarding the ordering of appropriate tests and the medical significance of laboratory data.

## Autopsy

Telephone: 608.890.7075 (8:00 am – 5:00 pm)

After hours, contact the pathology resident on call (608.262.2122) or use Web paging for the Pathology Surgical Resident for the appropriate date and time.

**Manager:** Lacy Normington, HTL (ASCP) 608.890.9373 [lnormington@uwhealth.org](mailto:lnormington@uwhealth.org)  
**Medical Director:** Robert Corliss, MD 608.263.8445 [rcorliss@uwhealth.org](mailto:rcorliss@uwhealth.org)

## Bone Marrow Laboratory

The UWH Bone Marrow Laboratory provides technical assistance for the collection of bone marrow biopsies and provides support services for Hematopathology.

Services include:

- Bone Marrow, Body Fluid, and Peripheral Blood Cell differentials
- Cytochemical stains used to aid in the diagnosis of hematological diseases
- Urine Hemosiderin testing

Technical assistance for bone marrow biopsy collections are by appointment only, Monday through Friday, 8:00 am – 4:30 pm.

Telephone: 608.263.8044  
Fax: 608.263.0910

**Manager:** Hugo Stoffel-Rosales, MT (ASCP) 608.263.0907 [hstoffel-rosales@uwhealth.org](mailto:hstoffel-rosales@uwhealth.org)  
**Medical Director:** Catherine Leith, MB BChir 608.263.9031 [cleith@uwhealth.org](mailto:cleith@uwhealth.org)

## Client Services

The UWH Client Services department provides support in the following areas:

- Processing of specimens for laboratory testing for all University of Wisconsin Hospital inpatient units and outpatient clinics, University Health Services and other external sources
- Requisition forms and billing inquiries
- Clinical Laboratory Phone Center, including result reports and inquiries
- Commercial laboratories referral testing
- Research protocol testing

Telephone: 608.263.7060  
FAX: 608.263.0910

**Manager:** Katie Dodge, MT (ASCP) 608.263.9095 [kdodge@uwhealth.org](mailto:kdodge@uwhealth.org)  
**Medical Director:** David Yang, MD 608.265.2095 [dtyang@wisc.edu](mailto:dtyang@wisc.edu)

# Clinical Laboratory Consultants and Contacts

## Core Laboratory

The UWH Core Laboratory provides highly automated, comprehensive stat and routine testing in the following areas:

- Chemistry, hematology, and coagulation
- HIV and Hepatitis testing
- Body Fluid testing
- Blood gases
- Urinalysis

Telephone: 608.263.7060  
FAX: 608.263.0910

**Managers:** Kevin Grant, BS, MBA 608.262.6226 [kgrant@uwhealth.org](mailto:kgrant@uwhealth.org)  
Hugo Stoffel-Rosales, MT (ASCP) 608.263.0907 [hstoffel-rosales@uwhealth.org](mailto:hstoffel-rosales@uwhealth.org)  
**Off Shift Supervisor:** Meredith Dill, MT (ASCP) 608.263-9006 [mdill@uwhealth.org](mailto:mdill@uwhealth.org)

### **Medical/Faculty Directors:**

**Chemistry:** Kornelia Galior, PhD 608.263.1495 [kgalior@uwhealth.org](mailto:kgalior@uwhealth.org)  
**Hematology:** David Yang, MD 608.265.2095 [dyang@wisc.edu](mailto:dyang@wisc.edu)  
**Coagulation:** John Sheehan, MD 608.265.8690 [jps@medicine.wisc.edu](mailto:jps@medicine.wisc.edu)

## Cytopathology Laboratory

The UWH Cytopathology Laboratory provides comprehensive testing in the following areas:

- Fine needle aspiration of palpable and deep seated lesions
- Cytologic examination and testing of body fluids such as urine, effusions, and CSF
- Gynecologic Pap Test by ThinPrep® methodology
- To avoid specimen rejection, refer to the UWH Laboratory Test Directory for detailed information on specimen collection and transport

Telephone: 608.263.3205  
FAX: 608.263.6453

**Manager:** Angie Wotruba, CT (ASCP) 608.264.4625 [awotruba@uwhealth.org](mailto:awotruba@uwhealth.org)  
**Medical Director:** Suzanne M. Selvaggi, MD 608.265.9160 [sselvaggi@uwhealth.org](mailto:sselvaggi@uwhealth.org)

## Dermatopathology Laboratory

The UWH Dermatopathology Laboratory provides examination and consultation services for derm (skin) tissue specimens and slides.

Telephone: 608.263.6796  
FAX: 608.263.3020

**Manager:** Lacy Normington, HTL (ASCP) 608.890.9373 [lnormington@uwhealth.org](mailto:lnormington@uwhealth.org)  
**Supervisor:** Samantha Wandel 608.263.6226 [swandel@uwhealth.org](mailto:swandel@uwhealth.org)  
**Medical Director:** Molly Hinshaw, MD 608.265.7670 [mhinshaw@dermatology.wisc.edu](mailto:mhinshaw@dermatology.wisc.edu)

## East Madison Hospital (EMH)

The Clinical Laboratory at East Madison Hospital provides the following services:

- Chemistry, Hematology, Coagulation, Urinalysis, Blood Gas testing
- ABO/Rh, antibody screening
- Compatibility testing for blood product administration
- Purchase, storage, dispensing, and tracking of tissue products
- OP Phlebotomy Services

Telephone: 608.234.6600

Fax: 608.234.6633

**Manager:** Tara Kreklau, MT (ASCP) 608.440.6280 [tkreklau@uwhealth.org](mailto:tkreklau@uwhealth.org)  
**Medical Director:** Joseph Connor, MD 608.263.2044 [jconnor@uwhealth.org](mailto:jconnor@uwhealth.org)

## Flow Cytometry Laboratory

The UWH Flow Cytometry Laboratory performs flow cytometric analysis used by clinicians in diagnosing, monitoring, and treating patients with the following disorders: acute and chronic leukemia, lymphoproliferative disease, multiple myeloma, immune deficiencies, multiple sclerosis, and paroxysmal nocturnal hemoglobinuria. Services include:

- Acute and chronic leukemia immunophenotyping
- Lymphoproliferative disorder immunophenotyping
- Multiple Myeloma Immunophenotyping
- Paroxysmal Nocturnal Hemoglobinuria testing
- T-cell and T-subset quantitation
- CD3 and CD20 quantitation
- CD34 (Stem Cell) quantitation
- T-cell, B-cell, NK-cell quantitation

Telephone: 608.263.3868

Fax: 608.263.0910

**Manager:** Hugo Stoffel-Rosales, MT (ASCP) 608.263.0907 [hstoffel-rosales@uwhealth.org](mailto:hstoffel-rosales@uwhealth.org)  
**Medical Director:** Catherine Leith, MB BChir 608.263.9031 [cleith@uwhealth.org](mailto:cleith@uwhealth.org)

## Immunology Laboratory

The UWH Immunology Laboratory performs testing for autoimmune diseases, monoclonal gammopathies, rheumatoid arthritis, and liver diseases using immunofluorescence, rate nephelometry, hemagglutination, electrophoresis, EIA, and immunofixation testing methodologies.

Telephone: 608.263.6207

Fax: 608.263.0910

**Manager:** Kevin Grant, BS, MBA 608.262.6226 [kgrant@uwhealth.org](mailto:kgrant@uwhealth.org)  
**Medical Director:** Alan Bridges, MD 608.263.3457 [alan.bridges@va.gov](mailto:alan.bridges@va.gov)

# Clinical Laboratory Consultants and Contacts

## Microbiology Laboratory

The UWH Microbiology Laboratory provides comprehensive testing services in bacteriology, ID and susceptibility testing, mycology, virology, parasitology, and molecular testing.

Telephone: 608.263.8710

Fax: 608.263.0910

<b>Manager:</b>	Patti Anderson, MT (ASCP)	608.261.1314	<a href="mailto:panderson2@uwhealth.org">panderson2@uwhealth.org</a>
<b>Supervisor:</b>	Kelly Koglin, MT (ASCP)	608.265.5978	<a href="mailto:kkoglin@uwhealth.org">kkoglin@uwhealth.org</a>
<b>Medical Director:</b>	Derrick Chen, MD	608.265.5822	<a href="mailto:dchen@uwhealth.org">dchen@uwhealth.org</a>

## Molecular Diagnostics Laboratory

The UWH Molecular Diagnostics Laboratory provides molecular-based testing for identification of human gene mutations and detection, identification, and quantitation of various bacteria and viruses prior to and during patient therapy.

Telephone: 608.263.7018

FAX: 608.263.9610

<b>Manager:</b>	Keith Challoner, RM (AAM)	608.265.7649	<a href="mailto:kchalloner@uwhealth.org">kchalloner@uwhealth.org</a>
<b>Faculty Director:</b>	William Rehrauer, PhD	608.265.6578	<a href="mailto:wmrehrauer@wisc.edu">wmrehrauer@wisc.edu</a>

## Phlebotomy/Outpatient Laboratory

The UWH Phlebotomy/Outpatient Laboratory staff collects blood and urine specimens using routine and advanced phlebotomy skills on inpatients and outpatients at the following locations:

- UWH CSC Inpatient Units
- UWH CSC Outpatient Lab
- AFCH Outpatient Lab
- University Station Lab

Telephone: 608.263.6033

FAX: 608.265.6029

<b>Manager:</b>	Keesa Skaar	608.263.5049	<a href="mailto:kskaar@uwhealth.org">kskaar@uwhealth.org</a>
<b>Supervisor:</b>	VACANT		
<b>Medical Director:</b>	David Yang, MD	608.265.2095	<a href="mailto:dtyang@wisc.edu">dtyang@wisc.edu</a>

## Point of Care Testing

UWH Point of Care (POC) Testing refers to any patient testing performed within UWH that is not performed as part of the central laboratory. UWH Clinical Laboratory provide consultative services for laboratory services in all patient care areas.

Services provided by the POC Coordinators in the Clinical Laboratory include:

- Method validation of new instruments or test methods
- Assistance with procedure manual preparation
- Developing quality control and quality assurance programs
- Resolving quality control problems
- Meeting regulatory requirements

Requests for new point of care tests or the expansion or relocation of existing point of care tests must be approved by the Laboratory Testing Oversight Committee, in accordance with UWH Administrative Policy 8.40. Please contact a POC Coordinator for more information.

<b>Manager:</b>	Jill Palmer, MT (ASCP)	608.263.1496	<a href="mailto:jpalmer4@uwhealth.org">jpalmer4@uwhealth.org</a>
<b>POC Coordinators:</b>	Stacy Stoeger, MT (ASCP)	608.263.5589	<a href="mailto:sstoeger@uwhealth.org">sstoeger@uwhealth.org</a>
	Ashley Quinn, MT (ASCP)	608.263.8039	<a href="mailto:aquinn@uwhealth.org">aquinn@uwhealth.org</a>
	Megan Rudolph, BS, MLT (ASCP)	608.890.9360	<a href="mailto:mrudolph@uwhealth.org">mrudolph@uwhealth.org</a>
<b>Faculty Director:</b>	Kornelia Galior, PhD	608.263.1495	<a href="mailto:kgalior@uwhealth.org">kgalior@uwhealth.org</a>

## Quality

The UWH Clinical Laboratory Quality Department:

- Supports efforts to achieve laboratory goals of continuous performance improvement and patient safety
- Supports implementation of a total quality management system in the laboratory and facilitates use of quality management tools and techniques
- Works with laboratory staff to strengthen their commitment to quality
- Supports development of quality indicators and the collection and analysis of data for monitoring and improvement activities
- Aggregates and trends information from incident and variance reporting
- Works with patient relations to resolve laboratory service issues

<b>Manager:</b>	Jill Palmer, MT (ASCP)	608.263.1496	<a href="mailto:jpalmer4@uwhealth.org">jpalmer4@uwhealth.org</a>
<b>Program Coordinator:</b>	Jinjoo Lee	608.263.6792	<a href="mailto:jlee3@uwhealth.org">jlee3@uwhealth.org</a>
	Kimberly Jordan	608.890.9782	<a href="mailto:kjordan@uwhealth.org">kjordan@uwhealth.org</a>
	David Yang, MD	608.265.2095	<a href="mailto:dtyang@wisc.edu">dtyang@wisc.edu</a>

## Research/Study Protocols

As an academic medical center, the UWH is committed to advancing medical knowledge through research. Investigators at UW are involved in many projects including clinical studies to test the effectiveness and safety of new therapies and medical devices, as well as to expand scientific and medical knowledge.

The Clinical Laboratory provides laboratory testing for approved research and investigational purposes. Refer your questions to the Research Coordinator.

<b>Research Coordinator:</b>	Janis Parkinson, MT (ASCP)	Phone: 608.262.5803	<a href="mailto:jparkinson@uwhealth.org">jparkinson@uwhealth.org</a>
		Fax: 608.263.1568

## Special Coagulation Laboratory

The UWH Special Coagulation Laboratory provides comprehensive diagnostic testing for bleeding and thrombotic disorders.

Services Include:

- Hypercoagulation testing
- Factor Activity & Inhibitor Assays
- vonWillebrand testing
- Platelet Assays
- Heparin Levels
- Heparin-Induced Platelet Antibody testing

Telephone: 608.263.5005  
Fax: 608.263.0910

<b>Manager:</b>	Hugo Stoffel-Rosales, MT (ASCP)	608.263.0907	<a href="mailto:hstoffel-rosales@uwhealth.org">hstoffel-rosales@uwhealth.org</a>
<b>Medical Director:</b>	John Sheehan, MD	608.265.8690	<a href="mailto:jps@medicine.wisc.edu">jps@medicine.wisc.edu</a>

## Surgical Pathology Laboratory & IHC Laboratory

The UWH Surgical Pathology Laboratory provides examination and consultation services for tissue specimens and slides from UWH and VAMC - Madison with specialization in the following:

- Electron Microscopy
- Hematopathology
- Renal Pathology
- Neuropathology

Telephone: 608.263.8443  
FAX: 608.262.7174

<b>Managers:</b>	Lacy Normington, HTL (ASCP)	608.890.9373	<a href="mailto:lnormington@uwhealth.org">lnormington@uwhealth.org</a>

## Toxicology and Manual Chemistry Laboratories

The UWH Toxicology and Manual Chemistry Laboratories provide the following services:

- Therapeutic drug monitoring for immunosuppressants, antiarrhythmics, antibiotics, antiepileptics, antidepressants, barbiturates, benzodiazepines
- Assays for isopropanol, methanol and ethylene glycol
- Drugs of abuse screening and confirmation
- Fat soluble vitamins (D,A & E) and salivary cortisols
- Fecal measurements for fat and reducing substances
- Sweat chloride testing for the diagnosis of cystic fibrosis

Telephone: 608.263.7029

Fax: 608.263.0910

**Manager:** Keith Challoner, RM (AAM)

608.265.7649 [kchalloner@uwhealth.org](mailto:kchalloner@uwhealth.org)

**Faculty Director:** Zhicheng Jin, PhD

[zjin237@wisc.edu](mailto:zjin237@wisc.edu)

## Transfusion Services (Blood Bank) Laboratory

The UWH Transfusion Services Laboratory provides immunohematology testing, blood products, and tissue. Services provided include:

- ABO/Rh, antibody screening, antibody identification, and red blood cell antigen testing
- Compatibility testing for blood product administration
- Volume reduction and irradiation of appropriate blood products
- Purchase, storage, dispensing, and tracking of tissue products
- Consultation and interpretation of immunohematology testing, transfusion reactions, and transfusion recommendations by Transfusion Service faculty and/or resident

Telephone: 608.263.8367

FAX: 608.265.0367

**Manager:** Erin McGuire

608.263.8370 [eblasco@uwhealth.org](mailto:eblasco@uwhealth.org)

**Medical Director:** Thomas Raife, MD
