

Facts and Figures

UW Health (FY20)

About UW Health

UW Health is the integrated health system of the University of Wisconsin-Madison caring for more than 700,000 patients each year composed of seven hospitals, 1,849 employed physicians providing care at more than 140 locations and a partnership in a 365,000 member health plan.

UW Health is governed by the UW Hospitals and Clinics Authority and partners with the UW School of Medicine and Public Health to fulfill its patient care, research, education and community service missions.

UW Health is a nationally recognized regional health system that includes:

- **University Hospital**, a 505-bed regional referral center that is home to a Level One adult and pediatric trauma center, American College of Surgeons-verified Burn Center, one of the nation's largest organ transplant programs, one of the nation's first certified comprehensive stroke centers and the UW Carbone Cancer Center, one of 41 National Cancer Institute-designated comprehensive centers in the country
- **UW Health at The American Center**, a 56-bed, community-based health and wellness facility
- **American Family Children's Hospital**, a nationally-ranked, 111-bed facility with pediatric and neonatal surgical intensive care units
- **UW Health Rehabilitation Hospital**, a 50-bed, post-acute inpatient rehabilitation facility
- **UnityPoint Health – Meriter***, a 448-bed community-based hospital providing a complete range of medical and surgical services
- **SwedishAmerican Hospital**, a 325-bed community-based hospital and regional cancer center
- **Belvidere Medical Center**, a 34-bed inpatient/outpatient medical center
